

Edmonton Alberta

\$389,900

This custom build home is located in a well established neighborhood, only 10 minutes from downtown and steps away from schools, transportation and shopping. A few of the highlights of this elegant home are: hardwood floors, tiles, crown moldings, top of the line appliances and light fixtures. The spacious main floor features a sunken living room with 10 Ft ceilings and wood burning fireplace, formal dining room, large family room with bay window and a bright kitchen that leads out to a large deck overlooking a vegetable and flower garden. On the second floor there is the master bedroom with ensuite, walk in closet and balcony, 2 more bedrooms and a full bath. The basement is fully finished with a rumpus room, office, laundry room and storage rooms. The beautiful interior of the house is complimented by the professionally landscaped front and back yard and the oversize detached double garage. This is a perfect home to raise a family. (id:6769)
