

Edmonton Alberta

\$99,900

Unbelievable value for a hard to find 3 bedroom condo in a newer complex! This 2nd floor unit has a sunny west balcony with room for a barbeque. Laminate flooring, thick baseboards and glass tile backsplash in the kitchen are nice finishing touches. The bedrooms are a decent size, great for roommates going to NAIT investors or for a family. The unit also comes with a covered parking stall. Hurry this one won't last at this price. Seller would also consider financing the buyer with no qualification! Condo has been rented in the past with a positive cash flow. (id:6769)
