\$310,000

A great opportunity to buy a home that needs updating and cosmetic TLC, but has a price that allows you to enjoy sweat equity in exchange for your time and effort. The main floor of this (approximately) 1100 square foot bungalow with solid bones has a bright and spacious living room, dining space, eat-in kitchen, family bathroom and three bedrooms. Basement is finished with a large recreation room with wet bar, laundry room and potential to complete a bathroom. Situated on a large corner lot with a huge 26' x 24' detached garage. Roof shingles are approximately 5 years old. Location is amazing and literally steps away from two schools, regular/French immersion K-6 (public) plus Catholic K-6. You're also just steps away from Delwood Park, playground and the Delwood Community League which has an outdoor rink and a great building to host private functions, take yoga classes and other activities.
