

Edmonton Alberta

\$38,900,000

This 152.88 acre site is one of south Edmonton's most significant remaining industrial/ commercial development land parcels. Previously held as a potential site for an educational complex, the land is now available for sale surrounded by new fully developed commercial and light industrial properties. The vision for this location may create some of the most desirable Edmonton development opportunities given its convenient access to 91 Street, Anthony Henday, the 41 Avenue SW interchange, Ellerslie Road and the QEII Highway.
