

Edmonton Alberta

\$415,900

Light-filled, stylish, and set on a rare wide lot. This end-unit 2 storey stands out the moment you walk in. The main floor is designed for real living, with an open layout anchored by a sleek kitchen with granite counters and quality appliances. And with central A/C, comfort is dialed in all year long. The upper level delivers three spacious bedrooms, including a primary suite that feels tucked away and private. The unfinished basement gives you a blank slate for future value; rec room, guest space, or a home gym. Outside, the upgrades continue: a double garage with lane access, and plenty of yard space thanks to the end-unit position. You're steps from parks, playgrounds, and schools, plus quick access to shopping and major roads that make every commute easier. (id:6769)
