The Affinity is an elegant, well-built home designed for today's families. It features a double attached garage, separate entry, extra side windows, 9' ceilings on the main & basement levels, and LVP flooring throughout the main floor. The foyer opens to a full 3-piece bath with walk-in shower and a main floor bedroom. The open-concept kitchen, nook, and great room with electric fireplace offer comfort and flow. The kitchen includes quartz countertops, a flush island eating ledge, Silgranit undermount sink, chimney-style hood fan, full-height tile backsplash, built-in microwave, soft-close cabinets, and a corner pantry. Large windows and a patio door brighten the living space. Upstairs, the spacious primary suite features a 5pc ensuite with double sinks, stand-up shower, freestanding tub, and a large walk-in closet. A bonus room, 3pc bath, laundry area, and three additional bedrooms complete the upper level. Includes brushed nickel fixtures, basement rough-in, and Sterling's Signature Specification. (id:6769)
