

10666 95 Street Edmonton AB

\$299,000

Step into urban elegance in the heart of McCauley! This beautifully renovated 2.5-story home, with over 2000 sqft, seamlessly blends historic charm with modern convenience. The main floor showcases a stunning renovated kitchen, featuring sleek cabinetry, quartz countertops, and stainless steel appliances also including a cozy family room and a sophisticated formal dining room, perfect for both casual gatherings and elegant entertaining. The home boasts a total of five bedrooms, all located upstairs, including a luxurious master suite complete with a private ensuite bath. The additional bedrooms offer flexibility and ample space for family and guests. Step onto the rooftop deck and be captivated by panoramic views of downtown Edmonton. Additional features include a detached 1-car garage, contemporary finishes throughout, and dual entry points to the basement from both the front and back. With its prime location near amenities and attractions, this home offers the ultimate urban lifestyle.
