

10735 154 Street Edmonton AB

\$348,800

This original family home has been lovingly maintained & updated over the years. As you walk up from the front street you will note the covered front veranda an ideal spot to sit with family & friends for some conversation, music or perhaps just to watch the sunset. Upon entering the home it will impress on you that this is a house that was remodeled for entertaining, with a cozy living space at the front, flex room with a murphy bed on the side & then a grand kitchen that was designed by a professional chef for cooking, teaching & entertaining. This kitchen is the heart of this home with a grand 10' island, counter top gas stove & loads of storage with built in's & work space. There is a also a formal dining area with custom built chairs that also fit the island. Upstairs you will find an opulent primary suite complete with dual vanity, walk in shower & storage. Outside you will find a massive 50'x148' lot with numerous features & a triple detached garage with extra parking. A couples or singles home.
