

10807 129 Street Edmonton AB

\$1,195,000

Stunning newer infill home in Westmount with just over 4076sqft of living space - 5 beds, office, library, 3.5 baths & oversized double detached garage - truly an incredible home throughout! The finishing details & styling are what you would expect in this home - natural light flowing throughout on every level. Step inside you will love the quality in every room. From the home office, library to the chef's kitchen with large island, custom cabinetry, walkthrough pantry, spacious dining area - the custom feel is there. The bright & open living room with gas fireplace, large mud room & 1/2 bath complete the main level. Upstairs - family lounge, perfectly styled primary suite with 5-piece ensuite & walk-in closet! Beds #2 & #3 are both a great size, 4-piece bath & laundry room complete this level. Downstairs - large family/games room, beds #4 & #5, 3-piece bath & storage. Outside the 7001sqft fully landscaped lot with oversize deck is perfect for every family! Quiet treelined street close to all amenities!
