

116 Main Street Kingman AB

\$599,999

Rare Find! Luxury living in a peaceful setting. Features a gorgeous 2nd living area/kitchen for comfy generational living. The huge master bedroom boasts a massive walk-in closet, gas fireplace and a five-piece ensuite. The main floor has 2 big bedrooms, a large dining area, an open living room, and an amazing custom kitchen. No expense was spared in the construction of this home. Some over-and-above upgrades include: sound blocking insulation between levels, upgraded roofing membrane, high-end appliances, hardie board siding, European windows, whole-house water filtration, on-demand water heater, garage plumbing, and a hydraulic pressure relief membrane surrounding the foundation. Kingman is a charming community conveniently located between Edmonton, Camrose and Leduc. The kids can walk to a wonderful K-12 school.
