This property has a big yard and OVERSIZED HEATED DOUBLE GARAGE with 9 foot ceilings and 240v plugs. Comfortably park 2 vehicles or use as a hobby shop. The Basement is unfinished but has new windows, foam boarded walls and spray foamed joists cavities for extra air sealing and insulation. Main Sewer line was replaced in 2015. Come check it out, the renovations are stunning and the short distance to major universities and downtown makes it a great investment/rental property as well.
