

11920 130 Avenue Edmonton AB

\$249,900

Beautiful location across from the Keyano Park these 2, yes two lots 15 & 16 are being sold as one for this affordable price. The lot measurements are 19.5 x 35 meters which is perfect for a duplex or more. This beautiful brick home does have one major horizontal crack in the foundation so it is being sold as lot value and an as is where is bases. Amazing huge square lots has lots of new development in the area and it is hard for this long time owner to let go but he is now ready to offer his home a new beginning.
