

12224 176 Avenue Edmonton AB

\$450,000

A WELL MAINTAINED, UPGRADED 2000 SF living space humble home situated in a family friendly community. An open concept floorplan with an airy feel as you enter the main floor. Kitchen is dressed with bright-white quartz, stainless steel appliances and modern grey cupboards. A fireplace in the living room for a cozy evening while sipping wine. Upper floor is where the 3 bedrooms are. Master bedroom is spacious and can fit a king size bed with still enough space to play. 2 other rooms are big enough for your children's private space. Family/Bonus room located in the middle as you step on the upper floor. SEPARATE ENTRANCE to the basement with second kitchen, 1 bedroom, a full bath and a stacked washer/dryer. This home offers all that you need. Easy access to ALL AMENITIES. Walkable to LA Fitness, Bank, Walmart, etc.. This is yours. Welcome Home!
