Here is your opportunity to own your own home in Edmonton's private lake community. The main floor has a modern open concept layout with a good size living room with a gas fireplace for those soon to be cold nights but don't worry it also has the A/C for those hot summer nights. The kitchen has stainless steel appliances, a good size island to do all your food prep and an open view of the main floor. Off to the side of the kitchen is a dining area that can hold a good size table and even comes with built in cabinets. There are sliding doors to access the back yard deck. The double detached garage is insulated with vapor barrier. Go upstairs and you will find 3 bedrooms. The Master bedroom has a walk-in closet and a 3pce en-suite. The basement features a small bar area with a beverage cooler and beer fridge. It also has a TV area as well as a small work shop or home office with built in cabinets. Recent updates include all kitchen stainless steel appliances, new shingles in 2023 new AC in 2022.
