

1289 MCALLISTER Way Edmonton AB

\$575,000

Discover this elegantly upgraded family home on a quiet street in the heart of McEwan, just steps from the McEwan Park. Meticulously maintained, & upgraded from top to bottom, the main floor features a modern white kitchen with stainless appliances and quartz countertops, living room with a gas fireplace, and dining area surrounded by large windows overlooking the manicured back yard. Upstairs, enjoy a bonus room, laundry, shared bathroom, and three bedrooms, including a master with an ensuite spa boasting, soaker tub, separate shower and walk-in closet. The fully finished basement has an additional 3pc bathroom, family room with a built-in Murphy bed and plenty of storage. Additional modern upgrades include gorgeous engineered hardwood flooring, new Hunter Douglas window coverings, a new hot water tank, and furnace. The oversized garage w/floor drain and landscaped, low-maintenance yard complete this exquisite home, blending style with functionality for a move-in ready, comfortable living experience.
