

13538 127 Street Edmonton AB

\$364,900

This incredible bungalow has been completely renovated! NEW electrical, plumbing, windows, shingles, flooring, hot water tank, fixtures, paint, etc. The curb appeal is beautiful with hardie board siding, stone encased planters, dark trim & great door. The NEW large vinyl windows make the home bright and sunny. Upon entering you will notice the luxury vinyl plank & soft gray paint. The living room is anchored by a dark stone surround fireplace with mantle. The kitchen has a new induction countertop stove, JenAir built in oven, pantry & cosy seating area. Down the hall are three bedrooms plus a new four piece bathroom featuring a glass surround tub/shower, wide sink & storage closet. Off the kitchen is a side entrance leading to the partially finished basement where all the main work has been completed. The three piece bathroom with hydrotherapy jet tub is nearly done and just needs flooring, ceiling and a faucet. The fourth bedroom needs flooring and ceiling. Oversized double detached garage. Huge garden.
