

14 WALLACE Point(e) Fort Saskatchewan AB

\$499,900

Dream home alert!! One step in and you'll feel like you've stepped into the pages of House + Home. Almost every builder upgrade was added to this stunning 1795 sq ft home, and then some extras beyond that! Real wood fireplace, hardwood floors, quartzite natural stone countertops, a/c, 9 ft ceilings (basement too!), side entrance for future potential suite, the list goes on and on. Landscaping, decks, and fencing are all done. Extra parking beside garage for cars or toys. AND you are a short walk from the river valley recreational area, where you can walk, run, bike, hike, paddle, picnic, ski, and so much more.
