

14003 84 Avenue Edmonton AB

\$829,000

LOCATION, LOCATION, LOCATION! This FULLY renovated 4 level home is located on a quiet cul-de-sac surrounded by mature trees creating a park like setting in exclusive Laurier Heights. This home has over 2600 sq ft of living space and is upgraded top to bottom including newer roof, windows, doors, brand new appliances, 2 gas fireplaces, renovated kitchen, bathrooms, flooring and added A/C. The floor plan is open and unique with 3 beds up, with reno'd ensuite and guest bath. The lower level has a secondary living space/rec room, where you will find your laundry with new washer & dryer and full bathroom. On the 4th level there is another full flex space with full walk in storage area, which can be used however your family needs. The updates in this home are incredible with touches of mid century modern with keeping all of its original charm. Outside you have a huge yard that wraps around with two private deck areas. One of the best locations in the city close to shopping, the zoo, downtown and great schools!
