

REALTOR®

1525 Esaiw Place Edmonton AB

\$669,900

If dreams of a private yard are on your wish list, then you will not go wrong with this home that sits on a 255' long pie lot that backs onto a ravine! This 2210 sq ft 3 bedroom plus den (with a closet), 2.5 bath, home that is finely finished is located in Edgemont. It features the open to below floor plan with your built in kitchen featuring a nook turned breakfast bar. Upstairs you have a bonus room, a very generous Primary suite with ensuite with soaker tub and walk-in closet, full laundry room and 2 additional bedrooms. There is a side entrance for future basement development that also has 3 windows and bath roughed in. Triple pane windows, upgraded insulation, it's an energy efficient home!
