

16035 132 Street Edmonton AB

\$219,800

Urban living area 2 bedroom condo on the main floor of Oxford Bay. This unit has a spacious Master bedroom with an ensuite and walk through closet. Enjoy a modern kitchen with an island and dining area. New (2021) in suite stackable laundry. New air handler on the furnace. Fireplace in the living room and a large balcony overlooking a beautiful pond. The condo comes with one titled underground heated parking stall with an attached storage unit. It also offers many amenities including a game room, a large entertainment area, theatre room (book your own movie night), exercise room, rooftop patio and lovely courtyard. Everything you need is conveniently located close by. A great place and a must see.
