

16111 132 Street Edmonton AB

\$349,000

Welcome to the community of Oxford! This great half duplex has 3 bedrooms, 2.5 baths, huge backyard and NO CONDO FEES. The main floor offers an open concept kitchen, dining room and living room with a gas fireplace. Upstairs you will find 3 good sized bedrooms and a 4 piece bathroom. The large primary bedroom has a 3 piece en-suite and good sized closet. The basement is unfinished awaiting your personal touches! To complete the home you have a large fully fenced backyard with a deck and the home has a single attached garage. This home has a great location close to public transportation, walking trails, quick access to the Anthony Henday, close to all amenities and so much more! It is perfect for a first time home buyer or a small family. A must see property!
