

18003 105A Street Edmonton AB

\$579,900

Nestled on a massive south facing pie lot is this fantastic home full of character. It features five bedrooms, four bathrooms plus a den. It sits next to the walking path, on a quiet family friendly cul-de-sac, which leads to an incredible park area. The kitchen has stainless steel appliances, subway tile backsplash and new counter tops. Off the kitchen is a flex space and dining area. In the back of the home is a sun filled living room with fireplace and numerous windows plus has access to the backyard. The office also has patio doors leading to the back deck. Finishing this level is a two piece bathroom & large mudroom. Upstairs is the primary bedroom with five piece ensuite including a jacuzzi tub. Down the hall is the bonus room, two additional bedrooms & a four piece bathroom. Downstairs you will find another two great size bedrooms, family room, flex space, laundry room & a four piece bathroom. The backyard is amazing! Spacious private deck, fire pit, shed, etc. the heated garage measures 23x18.
