

20304 128 Avenue Edmonton AB

\$429,900

Prepare to be AMAZED with this nearly 9000 SQFT LOT in Trumpeter! You won't see anything like this. Inside you'll find your beautiful open concept 1400sqft home with great kitchen and eating space! The large living room boasts lots of natural light and the main floor comes with its own laundry room! Upstairs, you'll find your 3 bedrooms, ensuite bathroom and another full 4pc bath. The home itself is beautifully maintained, but the real treat is the MASSIVE backyard that features a deck, firepit area and another deck towards the back of the property for all your entertaining needs! This home is truly one of a kind and located right across from green space!
