

20904 128 Avenue Edmonton AB

\$694,760

Welcome Home to the Waltz! Fully Finished Walkout Bungalow on a Sprawling Corner Lot. Nestled in Trumpeter, this home is the epitome of luxury and convenience. It is designed with families in mind, offering the perfect blend of luxurious finishes and practical features. Situated on a massive pie-shaped corner lot, the attention to detail is evident in every corner. From the gourmet kitchen with walk in pantry, mudroom and a dog bath station for your furry family members. Step inside your main floor living area with vaulted ceilings, natural lighting, feature wall with fireplace, main floor den, ample dining area leading to your deck and huge backyard. Downstairs you will have a fully finished basement with huge rec area with 2 bedrooms and a full bathroom. This space offers endless possibilities from home theatre, place to unwind, or a playroom and walk out onto your backyard. Do not let this one pass you by.
