

21235 96 Avenue Edmonton AB

\$434,500

Presenting an exquisite single-family home in Webber Greens, offering 1409 sqft of beautifully renovated living space. Step inside to discover a brand new flooring and professionally painted all walls, evoking a sense of modern sophistication. The main floor offers a thoughtfully designed layout, comprising a well-appointed kitchen with pantry, a comfortable dining area for gatherings, a spacious living room for relaxation, & a convenient bathroom for added convenience. Upstairs, discover a luxurious master suite with a bedroom, walk-in closet, & attached bathroom, along with two additional bedrooms & another full bathroom. Outside, a double parking pad offers convenience, while the patio invites outdoor dining and leisure. Situated steps away to Winterburn & Michael Fair school, bus stop, playgrounds, & nearby shopping amenities, this home is perfectly positioned for convenient living. With easy access to major transportation routes including the Henday & Whitemud, commuting is effortless.
