

213 ROSELAND Village Edmonton AB

\$200,000

Amazing value in this 3 bedroom 1.5 bath townhome that was completely renovated in 2020. Current owners have kept it in great shape and have a fabulous yard with a storage shed and a wonderful location in the complex. Your new home has a stunning eat in kitchen with stainless steel appliances and storage galore! Very nice sunny living room with space for the family to hang out in or for you to entertain your guests. The fully finished basement has a spacious family room as well as additional storage, laundry and your utility room. Upstairs you have a spa like 4 piece bathroom and 3 bedrooms. The primary is a great size and the windows are all updated and vinyl. You are close to schools, shopping, major transportation routes and the complex is well run with awesome neighbours. Don't delay! Come and see this great condo before it's gone.
