

21857 95A Avenue Edmonton AB

\$749,900

This immaculately maintained house will impress you with the design and features sought after by every high-end buyer. In the main floor you will find a den, spacious entrance, wide staircase. The kitchen has built in appliances with a huge walk through pantry, laundry and it has a huge great room and dining nook and the back deck with BBQ set up for your summer time relax. The upper floor gives an open floor plan with a master suite that has been upgraded with a stone fireplace wall, 3rd storey balcony, brilliant ensuite and walk-in-closet that even the most picky organizer will fall in love with. Two additional bedrooms, tech area and huge bonus room and full bath complete the second level. WALKOUT BASEMENT is perfect for extended family members who needs their own suite via separate entrance. The basement provides 2nd kitchen, bedroom, 2nd laundry, living room and additional rec room for your well being. You can view backing to a gorgeous ravine, extended width garage, patio and much more..
