The Family Sky View 18, by award winning builder Cantiro Homes, was carefully designed for memorable moments shared together. With three finished floors of functional living space above ground this 3 beds, 2.5 bath home has plenty of space for family and guests. Each level features floor to ceiling windows to maximize natural light and provide amazing views. On the ground level you will find a spacious family entrance off the double car attached garage and a flex room, perfect for a guest room, at home work space or even a fitness area. Enter the main level into a beautiful center kitchen, large living and dining room and an expansive outdoor lounge. The third level is complete with 3 bedrooms, including an amazing primary suite with an oversized walk-in closet, luxury ensuite with tiled shower and free-standing tub. Some of the upgrades in this property are horizontal metal railing and transitional square fireplace along with Whirlpool stainless steel kitchen appliances.
