

2417A TWP. RD. 530 Rural Parkland County AB

\$224,900

Here is a dandy. 4.40 fully treed acres of total seclusion overlooking a natural pond with lots of birds, waterfowl, and four-legged wildlife to enjoy. It's like having your very own extra acres of paradise without having to pay taxes or maintain it. methinks this one won't last long. "WOW" so excited to have this one on the market. WOOOHOOO!!!
