

1589 Glastonbury Boulevard 313 Edmonton AB

\$294,900

When you walk in the front door of this beautiful complex, you'll feel like you're walking into a luxury hotel! From the curved staircase leading up to the second floor to the tranquil sitting area/library complete with fireplace. Once inside this corner unit you will love how it is bathed in sunlight. The spacious master suite easily fits a king bed. The walk through closet is fitted with California closets and the ensuite includes a large walk in shower. The main living area is open concept and perfect for entertaining. There is a large wrap around deck with access from either the living or dining area. Recent upgrades include vinyl plank flooring in the living area and new countertops in the kitchen & both bathrooms. Amenities include a A/C, gym, social room, & guest suite. Shopping is close by and outside there are many lovely parks, ponds and trails to walk.
