

3807 ROBINS Crescent Edmonton AB

\$559,900

The BEST home under \$560,000 in Starling! Minutes to St. Albert but better value, and less property taxes too. Modern style, sophistication and you're just steps from nature in this fully finished 3 bed + DEN, 4 bath home offering over 2,600 total square feet. The main level is open and full of natural light with a kitchen right out of a magazine that is sure to inspire the chef of the family - complete with stone countertops and gas cooktop. If you prefer to BBQ instead, right off the dining room is access to the deck with natural gas hook up. Upstairs is your sanctuary with bonus room, 2 bedrooms + primary suite with walk-in closet and a gorgeous, upgraded 5 piece en suite to escape to after a long day. The finished basement offers another bedroom, living room and 4 piece bath leaving no one in the family without their own space. Cool off and sleep sound with AIR CONDITIONING, or wind down and star gaze in the HOT TUB that is included. This home is stunning and will certainly make your friends jealous!
