

4717 48 Street Glendon AB

\$249,000

Everything you need! Check out this perfect 2010-built four-bedroom home in Glendon, AB. You will see the current pride of ownership as the house has been well cared for. The main floor is an open concept with lots of natural light, stainless steel appliances, two bedrooms, and a four-piece bathroom. The basement has a large family room with two bedrooms and a recently renovated bathroom with a jetted tub and dual shower heads. The large and fully fenced backyard boasts a newer deck, RV parking and a heated 12' x 24' workshop! This home is ready for you to move in with no worries! It has just had a central AC with a whole home dehumidifier system installed, a new hot water tank, water softener, Fridge, stove, washer and dryer. Just 25 minutes from St. Paul and Bonnyville, the community of Glendon and this home are perfect for first-time buyers or if you want to downsize and retire.
