

5004 50 Street Egremont AB

\$38,900

Tired of the hussle and bussle of the City? If so, have a look at this property. Building is a knock down and lot is being sold "as/is - where/is". The huge lot with services would make a great start to a new home. Egremont is a small community and is the kind of place where you get to know all of your neighbors. Located a short 40 minute drive from Edmonton. Have a look at this great property, you will be glad you did.
