

5258 47 Avenue Calmar AB

\$488,888

Built by renowned homebuilder Santini Developments, this beautifully finished two-story home complete with over 1850 ft.² and a double attached garage. The main floor features a spacious entry way, a walk thru pantry, and an open concept living, dining room and kitchen with quartz countertops throughout. This beautiful property features 3 bedrooms on the second floor and a main floor den. The large master bedroom has an ensuite with a full 5 foot shower, tub and double vanity as well as a spacious walk in closet. The home also boasts a second-floor laundry. The basement is a full 9 feet and ready to add an in-law or rental suite with a side entry. At the current stage there is still the ability to add your personal touches.
