

1179 SUMMERSIDE Drive 6 Edmonton AB

\$235,000

Affordability in the amazing community of Lake Summerside. This top floor, 2 bedroom unit comes to the market at an attractive price considering it is a top floor townhouse with a SINGLE DETACHED GARAGE. This classic open floor plan has always been a hit and features nice windows through out the entire unit and great space for the living room and dining room plus a raised eating bar at the kitchen, undercabinet lighting and a full pantry. Covered balcony comes with a natural gas bbq that lets you grill all year long. Another nice added feature in this unit is the storage closet on the balcony for all your seasonal goods/decorations. Single detached garage has an outdoor parking stall in front giving this unit parking for two. The Community of Lake Summerside is sought after because of it's lake that is a short walk from this unit. Enjoy a private (community access only) 32 acre lake that has city filtered water, stocked with fish, sand beaches, beach volleyball, playgrounds, basketball, tennis and more.
