

13320 124 Street 67 Edmonton AB

\$285,000

Sought after 55+ age community in NW Kensington neighbourhood! Nicely renovated end unit bungalow with attached oversized single garage. Everything is new inside and move in ready. There is no back neighbours either which gives you more privacy. Primary bedroom features a walk in closet and 4 piece bathroom. The second bedroom is a nice size and right next to another 4 piece bathroom. Next to the front entrance is a laundry room with cabinets. Open concept living room with access to back deck, as well as the kitchen has been upgraded to include extra cabinets and new appliances. Enjoy the unfinished basement with a newer furnace and hot water tank. Connected to Shepherd's Care Kensington Campus. This property is ready for your new chapter in life!
