Welcome to your dream bungalow in the sought-after Ottewell neighborhood! This home is bursting with upgrades and eagerly awaits its new owner. Step inside to discover just under 1300 square feet of open-concept living space adorned with beautiful herringbone oak hardwood flooring throughout. The kitchen is a chef's paradise, equipped with stainless steel appliances, trendy matte grey cabinets, and sleek quartz countertops. Your master bedroom boasts a full ensuite bathroom with stylish gold fixtures, while two additional bedrooms, a cozy gas fireplace, and a convenient four-piece bath round out the main floor. But the real gem lies downstairs - you won't find a better basement in a bungalow! Two spacious bedrooms with large windows provide plenty of natural light, while the living room features a charming wood-burning fireplace. Plus, there's a dedicated storage room and a sizable laundry room for added convenience. A very oversized double garage, patio space, and big back yard are great for a family.
