

9433 142 Street Edmonton AB

\$1,288,000

Welcome to your Crestwood haven! This custom-built infill by PALAZZO CUSTOM LUXURY HOMES, backing MacKenzie Ravine, is a masterpiece of contemporary design. The kitchen features bespoke maple cabinetry, satin granite countertops, & premium appliances, including a full-size wine fridge! The living room exudes warmth with its coffered ceilings, FP, & abundant natural light. Upstairs, a bonus room with a wet bar & deck offers stunning views. Three bedrooms, all boasting walk-in closets, provide luxurious comfort. The primary suite, complete with a FP & spa-like ensuite, connects to the laundry room for added convenience. Hardwood & heated tile flooring add elegance throughout. Additional features like A/C, basement in-floor heating, central vac, & crown moulding enhance your comfort. The finished basement has two bedrooms, a full bath, & a recreational space. Sound wiring throughout the house, including the balconies overlooking the Low Maintenance landscaped yard & ravine, ensures entertainment at every turn. Hurry Home!
