

8545 89 Street Edmonton AB

\$953,649

This one has the "Wow" factor. This unique meticulously maintained property was custom built for its present owners and offers over 6200 sq ft of living space. This home features a total of 10 bedrooms (all with 1/2 bath ensembles) 2 additional 1/2 baths on M. fl., 3 full baths, oversized kitchen and dining room and living with gas fireplace. Add to this already amazing home, a den, family room, sun room and more. There is handicap access from both the front and the back. An elevator, fire sprinkler system add to the many unique features of this property. It is also in the very sought after Bonnie Doon neighbourhood and located in the French Quarter. This home will definitely appeal to extended families, Air b&b hosts, Community Service providers and housing for mentally and physically challenged groups (all to be approved by City of Edmonton). View this home today to appreciate all it has to offer.
