

Edmonton Alberta

\$220,000

Pizza and Donair opportunity in SW Edmonton. It is fully equipped, and the main assets are the large walk-in cooler and walk-in freezer, three Donair stations, hot plate, two deep fryers and the pizza oven. The online orders are very busy, and it seems to be the trend these days. There are plenty of free parking stalls for its customers. (id:6769)
