

Rural Sturgeon County Alberta

\$840,000

If you've ever wanted acreage living without sacrificing the comforts of a well-loved, thoughtfully updated home -- this is it. Set on 1.53 private, treed acres, this 1,476 sq ft walkout bungalow delivers on every level. The renovated main floor impresses from the moment you walk in: updated kitchen with quartz counters, white cabinetry, marble tile backsplash and stainless appliances, two distinct living spaces-- each with their own personality -- anchor the main floor, with French doors opening to a sprawling deck where the treetops become your backdrop. Downstairs, the walkout level adds two bedrooms, games room, full bath, and direct access to the covered patio. Storage is everywhere -- including a spectacular 39'6 x 33'3 separate shop at 1,393 sq ft. Two large bays, a hydraulic car lift, built-in shelving, and room for every vehicle, sled, or side-by-side you own. If the shop doesn't sell it, the firepit will. Mature trees. Real privacy. The kind of property that doesn't come up often. (id:6769)
