\$360,000

Welcome to the historic Hecla Lofts, one of Edmonton's 1st generation for apartment living that is located minutes from Downtown and a stone's throw to the new LRT Valley Line station. This unit is 1 of 14, so living here, is like being a part of a tight knit community. Walking into the unit you will immediately appreciate the exposed brick and large windows that let in ample natural light. On the main level you will find a spacious kitchen outfitted with newer brushed metal appliances (stainless steel look without the fingerprints- yay!). You will also find a dining area and family area, it's an open concept so what you choose to do with the space is completely up to you! You will also find a 4 piece bath (heated floors) and ample built-in storage. The spiral staircase leads you to the lower level where you will find a large primary bedroom that has a 3 piece ensuite with heated floors! You also have access to the roof top patio with City and river valley views. Perfect for the urban enthusiast! (id:6769)
