

Edmonton Alberta

\$399,900

Investors and homebuyers, this spacious 5bed/2.5 bath half duplex just stole the show in Edmonton! With over 100k in renos and an in-law suite, there is nothing like it under 400k! Almost everything is brand new--Kitchens with quartz countertops and stainless steel appliances, granite sinks, vinyl flooring, lighting, doors, fresh landscaping, and the list goes on and on! Inside, the open-concept main floor features a show-stopping L-shaped island with a breakfast bar, perfect for hosting or just feeling fancy while eating cereal! There's also a rare 5-piece bathroom and a master bedroom with a walk-through closet and private 2-piece ensuite.

Downstairs, the in-law suite has a stylish kitchen with an eat-in counter, a large living room with a fireplace, two big bedrooms, and an oversized full bath. Both units have their own full-size washer/dryer--because sharing is overrated! Even the garage looks dope! Prime location near schools, shopping, and transit. Don't wait! This beauty won't stay single for long! (id:6769)
