

Edmonton Alberta

\$399,900

Premier Location in the heart of Oliver now called Wihkwentowin. This house had recent upgrades. Zoned DC1 allowing the house certain business uses. The main floor has a Flex room and full bath upstairs there are four additional bedrooms with another full bath. Wihkwentowin is the most densest area in Edmonton so having a detached home here is rare and becoming only rarer. So much upside being in between Jasper ave and the new 104 ave corridor redevelopment. Walking distance to the Brewery District 124 street and Jasper ave and all the beautiful river valley trails.
