

Edmonton Alberta

\$210,000

If you're looking for extra living space in one of Edmonton's BEST built concrete 4 storey buildings, look no further! This one bedroom + den unit has 807sf of indoor living space PLUS another 450+sf of an amazing ground level patio/deck area. This gives you 1250 sf of living space, try and find another concrete condo in downtown/ Oliver areas at this price with that kind of space! This outdoor living space can be customized to your personal outdoor oasis. You get morning and afternoon sun and has a covered area too. This unit features laminate floors, some new appliances, fresh paint and carpet, ensuite bathroom, a large and open kitchen and a corner fireplace for chilly winter nights. This is a sensible floorplan for a couple or single person. Living in the heart of Wihkwentowin (Oliver) affords you a lifestyle to nearby restaurants and coffee shops as well as future LRT stop 2 blks away, and our amazing river valley. Condo board in process of allowing pets!! This will be an ideal unit for a pet owner! (id:6769)
