Where best-in-class industrial development meets functionally creative design, Element Business Centre presents a rare opportunity for industrial ownership. Developed by Beedie with investment-grade quality, this project is thoughtfully designed for long-term performance and success. This move-in ready unit showcases 26' clear, sky-lit ceilings that flood the space with natural light, complemented by high-efficiency LED lighting and energy-conscious features throughout. Built with durable pre-cast concrete construction, ESFR sprinkler systems, and a 6" reinforced concrete slab, the property delivers both safety and structural excellence. Operational efficiency is enhanced with a combination of dock and grade loading, including dock-levelers with 40,000 lb capacity, along with ceiling fans near loading areas for improved air circulation. The unit is fully serviced with 200-amp power, gas-fired unit heaters, and fibre optic connectivity, ensuring it's ready for modern business needs. Additional highlights include exceptional signage exposure along 184 Street, pre-built mezzanine potential, and dedicated parking. With a functional layout, premium specifications, and thoughtful design, this unit offers an ideal environment for businesses seeking efficiency, visibility, and long-term value.
