

Edmonton Alberta

\$720,000

This spacious almost 2500+ sq. ft. family home offers 7 bedrooms and 4 bathrooms, including 4 bedrooms upstairs with a primary suite and ensuite, 1 bedroom on the main floor, and 2 additional bedrooms in the fully finished walkout basement. The basement also features a complete in-law suite with its own kitchen, laundry, and newer washer & dryers--perfect for extended family. The main floor includes a large family room with a wet bar, while recent upgrades throughout the home include a new furnace (2023), upgraded tile flooring, newer carpet, solid oak woodwork, a full home intercom system, and concrete sidewalks on both sides of the house with stairs for added convenience. With abundant natural light from 2 skylights, a large fenced backyard for kids and pets, and an unbeatable location within walking distance to schools and close to major bus routes--all complemented by a magnificent downtown view--this home is truly designed for family living at its best.
