

St Albert Alberta

\$499,900

Great Investment opportunity to purchase prime main floor Retail/Office space in Downtown St. Albert. Currently being used as an eyelash studio this space could be used for many different uses. At 1,394 sq ft located in the farmers market area and fronting Perron St it gets plenty of exposure. Surrounded by boutique shops and residential condo's this unit would be an excellent investment. Stop paying rent! Invest in yourself. Please do not contact staff. (id:6769)
