

1110 Twin Brooks Point(e) Edmonton AB

\$985,000

Welcome to this executive custom-built bungalow in Twin Brooks! With over 3,800 sq ft of living space, this walkout backs onto the serene MacTaggart Nature Reserve, offering direct access to Whitemud Ravine's trails. Featuring 5 beds, 2.5 baths, and numerous upgrades, including a 3-season sunroom, underfloor heating on main floor, in floor heating in the basement and an epoxy-coated garage are just some. The gourmet kitchen showcases double ovens, granite counters, a large island, and a built-in desk. The living room shines with a vaulted ceiling and 3-sided fireplace. The master suite offers a soaker tub, steam shower, and walk-in closet. The large basement is perfect for entertaining with a wet bar, fireplace, and patio. Fresh paint, new shingles, wired audio, AC, security system, and gas outlets on both decks add to this home's appeal, blending luxury and nature.
