Welcome to this upscale Rutherford Village Community; a condo with a floor plan that has an open concept designed kitchen with appliances, pantry or closet, cabinets, double sink, eating ledge for seating, pendant lighting and a dinette that creates a wonderful open space. Both kitchen and living room open to a patio to enjoy the outdoors, a green space and a gas hook up. The primary bedroom is designed with a walk through closet for easy access to clothing and accessories and a entrance to the bathroom. To complete this home there is an in-suite laundry, underground parking stall, and storage cage. The complex has elevators and access entrance accessibility. Within walking distance there are grocery stores, restaurants and medical offices. Near public transportation, shopping, parks, and schools.
